ABOUT US

Pt Interactive, Inc., pioneered online patient communications for the dental market in 1999 with its proprietary Ortho Sesame technology that web-integrates legacy orthodontic databases. The company fields the strongest team of experts in dental database conversion in the world.

Patent-pending Ortho Sesame is the proven, comprehensive interactive web site and automated e-mail ASP solution for orthodontists. It eliminates no-shows, saves staff time, and helps orthodontists develop better relationships with their patients by vastly improving the quality of communications. Over 100,000 orthodontic patients are actively enrolled in the Ortho Sesame service.

We're the proven online patient communications company. We did our beta testing four years ago. Other companies have tried to copy Ortho Sesame's popular service, without success. Only Ortho Sesame integrates all your online needs into a complete multi-dimensional package, the choice of discriminating orthodontists since 1999.

Pt Interactive welcomes partners as we make this popular service available to other medical/dental specialties.

Don't wait! Put Ortho Sesame to work for your practice today. Call us at 1 (877) 633-5193 or email sales@orthosesame.com.
